

WOLVERINES FOOTBALL & CHEER

VOLUNTEER FORM

Parent/Guardian participation is at the heart of the Wolverines program. There is no paid staff at our program; all work is performed by volunteers. Without a strong commitment from our participant families, our program could not exist. There are multiple opportunities for a participant's family to support our program this year. We ask that each family involved with the program this year to commit to volunteering either your time or your money.

This year we will be tracking each family participating in the program and hope that everyone will gladly give either two hours of their time or pay \$75.00 to the program as a "volunteer fee". All families are required to pay the \$75.00 fee at the time of registration. Once your two-hour time commitment is completed, you will receive a \$75 refund. If you fail to complete your two-hour time commitment during the season, you will not receive a refund.

We have multiple options for you to help the Wolverines this season:

- Option 1: Two hours of committed help in the snack shack during a home game.
- Option 2: Two hours of committed field help during the week of the game or game day (i.e. field painting, game day set up (B team only) or take down (Mighty Mites only)
- Option 3: Two hours of working the grill during a home game.
- Option 4: Two hours of committed help during Harvest Fest Fundraiser
- Option 5: \$75.00 payable to the NHYFC, and no committed volunteer time.

Please note: We would rather your time than your money! Please make the effort. We want to get to know you and your player better, spend some time with us! Volunteer opportunities will present themselves throughout the season, thru email communications or thru Sign-Up Genius' sent out by our fundraising or concession managers.
